No. 2:23-cv-03235-JAK (MARx)

**ORDER RE TO SHOW CAUSE RE:
SUPPLEMENTAL JURISDICTION
OVER STATE-LAW CLAIMS**

1 Based on a review of the Complaint (Dkt. 1), the following determinations are
2 made:

3 The Complaint alleges violations of the Americans with Disabilities Act, 42
4 U.S.C. §§ 12101 et seq. (the “ADA”), the Unruh Civil Rights Act (the “Unruh Act”),
5 Cal. Civ. Code §§ 51-53, and other provisions of California law. Supplemental
6 jurisdiction is the basis for the state-law claims. Dkt. 1 ¶ 7.

7 District courts may exercise “supplemental jurisdiction over all other claims that
8 are so related to claims in the action within such original jurisdiction that they form part
9 of the same case or controversy under Article III of the United States Constitution.” 28
10 U.S.C. § 1367(a). This “is a doctrine of discretion, not of plaintiff’s right.” *United Mine*
11 *Workers v. Gibbs*, 383 U.S. 715, 726 (1966). “In order to decide whether to exercise
12 jurisdiction over pendent state law claims, a district court should consider . . . at every
13 stage of the litigation, the values of judicial economy, convenience, fairness, and
14 comity.” *Nishimoto v. Federman-Bachrach & Assocs.*, 903 F.2d 709, 715 (9th Cir. 1990)
15 (citation omitted).

16 In 2012, California imposed heightened pleading requirements for Unruh Act
17 claims. Cal. Civ. Code § 55.52(a)(1); Cal. Code Civ. Proc. § 425.50(a). In 2015,
18 California also imposed a “high-frequency litigant fee” for plaintiffs and law firms that
19 have brought large numbers of construction-related accessibility claims. Cal. Gov’t Code
20 70616.5. As detailed in previous orders by this Court and other district courts in
21 California, these reforms addressed the small number of plaintiffs and counsel who bring
22 a significant percentage of construction-related accessibility claims. *E.g.*, *Whitaker v.*
23 *RCP Belmont Shore LLC*, No. LA CV19-09561 JAK (JEMx), 2020 WL 3800449, at *6-
24 8 (Mar. 30, 2020); *Garibay v. Rodriguez*, No. 2:18-cv-09187-PA (AFMx), 2019 WL
25 5204294, at *1-6 (C.D. Cal. Aug. 27, 2019). These statutes impose special requirements
26 for construction-related accessibility claims brought by high-frequency plaintiffs
27 pursuant to the Unruh Act. Because accepting supplemental jurisdiction over such claims
28

1 would permit high-frequency plaintiffs to side-step those state-law requirements by
2 pursuing the claims in a federal forum, many district courts, including this one, have
3 declined to exercise such jurisdiction. *E.g.*, *Whitaker*, 2020 WL 3800449, at *6-8;
4 *Garibay*, 2019 WL 5204294, at *1-6.

5 A review of the docket in this District shows that, in the one-year period preceding
6 the filing of the Complaint, Plaintiff has filed more than ten actions in which he has
7 advanced construction-related accessibility claims. In addition, Plaintiff's counsel, Jason
8 J. Kim and Jason T. Yoon of the So Cal Equal Access Group, have represented at least
9 ten individuals who appear to be high-frequency plaintiffs in construction-related
10 accessibility actions. In a California Superior Court, Plaintiff would be deemed a high-
11 frequency litigant. Therefore, "California's recent legislative enactments confirm that the
12 state has a substantial interest in this case." *Perri v. Thrifty Payless*, No. 2:19-CV-07829-
13 CJC (SKx), 2019 WL 7882068, at *2 (C.D. Cal. Oct. 8, 2019).

14 In light of the foregoing, Plaintiff is **ORDERED TO SHOW CAUSE** why the
15 Court should not decline to exercise supplemental jurisdiction over the state-law claims.
16 Plaintiff shall file a response to this Order to Show Cause, not to exceed ten pages, on or
17 before May 10, 2023. In responding to this Order to Show Cause, Plaintiff shall identify
18 the amount of statutory damages Plaintiff seeks to recover. Plaintiff shall also present a
19 declaration, signed under penalty of perjury, providing the evidence necessary for the
20 Court to determine if Plaintiff meets the definition of a "high-frequency litigant" as
21 defined in Cal. Code Civ. Proc. § 425.50(b)(1) & (2). Failure to file a timely response to
22 this Order to Show Cause may result in the dismissal of the state-law claims without
23 prejudice by declining to exercise supplemental jurisdiction over them, pursuant to 28
24 U.S.C. § 1367(c). Defendant may also file a response to this Order to Show Cause, not to
25 exceed ten pages, on or before May 17, 2023. Upon receipt of the response(s), the matter
26 will be taken under submission, and a written order will issue.

1
2 **IT IS SO ORDERED.**
